Greetings! Sir / Madam

I hereby apply for the post of driver/general worker and I saw it as an opportunity to apply as one of the residents of Seshego village. And i hope to be given an opportunity to play my part and help the company expand more while acquiring new skills in the sector.

I am a 28 year old male, residing in Seshego village situated just few kilometres outside Polokwane and I'm willing to relocate. I have completed my matric in 2010 and after I went to further my studies in engineering sector doing Civil Engineering course N3, but failed to complete due to lack of finance.

I have worked as a staff driver, merchandiser, general worker (maintenance company) and as a shop assistant. During my period as a shop assistant, I've worked very hard driving discipline & dedication and through that short space of time I was appointed to be come an Assistant Manager. I have gained a significant amount of experience under admin, office work, monitoring staff, receiving & dispatching stock and dealing with calls and store mails.

Hope to hear from you soon.
