Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a good listener by giving full attention to what people are saying ,taking time to understand the point being made . Asking questions as appropriate not interrupting at inappropriate time. I am a hard worker actually my performance will result as a hard worker . I have discipline & respect ,good in time management , managing one's own time & time of others and able to work with a team being a team leader when needed.

I have N2 diesel ,motor & electrical trade theory , experience is all I want from you.

I'm looking for diesel mechanic / electrical apprenticeship , because I have all relevant qualifications for qualifying as an artisan. I intend to pursue in my professional career ,more particularly in engineering related field. I always want to be part of the apprentice in your company because they will help me to be experience enough to handle any responsibilities that might come on my way.
