What job i'm looking for? My positive points

I'm looking for any general job with no experience. my positive points is that I'm a fast learner with energy and I'm always willing to learn new things. most of the time I've been working on shops (shoprite & spar) . I was staying at Bizana bt now am in Rustenburg because of challenges at home since I am a bread winner so I need more or better salary to provide my family. thank you I would be happy if I get any job so that I can prove my self.
