## What job i'm looking for? My positive points

Dear Sir/Madam

I have been employed at Salbev Wholesalers and Manufacturer as an Inventory supervisor ,P.F.K Shurlock as a Stores Clerk, Altech UEC as a line feeder and Universal printing as a machine operator's assistant. I have acquired many skills pertaining to not only my field, but also to the fields I have encountered.

I am a versatile individual that is accustomed to change and strongly believes that development is a process of change that occurs within an individual. Without change improvement is impossible.

I am a responsible, dedicated and proactive person that never shies away from challenges. Although I work excellently alone, I have also proven on many occasions that I am a very co-operative and successful team player. I am also a hard worker who's willing to always learn new things and put in the extra effort no matter how difficult the task at hand may be.

Thank you for considering my application and hope to be hearing from you soon.

Best wishes

Noshad Abdool Rahiman
