I am confident in myself

I am always willing to learn new things

I am not afraid to ask for help when I need it.

Even though I am bubbly and always smiling but I have my weaknesses like:

I am impatient with people who look down on others; who want respect but cannot give respect; who think the world owes them something; who have bad attitude and cannot be professional; who think the world revolves around them.

I am shy but I use that shyness to my advantage and observe others.

I am a quiet person who knows when to talk and when to keep my mouth shut.

I love working with people who are not backstabbers.

I am an emotional person and i draw my strengths from my emotional side by channeling it to positive energy

I am not perfect, but I believe my imperfections are just perfect.

So with all that said, the job that I am applying for is the job that you as my future employer will offer me,,,nothing illegal but just legal and if that can happen,my employer and the rest of the stuff will never regret it.

Thank you
