## Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I have an interest in boilermaker since when I was a teenager. I always just want to pursue a career in this area.

I'm a very hard-working and I enjoy learning new things. I view training and learning as a challenge and I'm trying to do everything that I can to ensure that I work hard and I'm a success to my employer and for my career.

I am a confident communicator. I am able to follow instructions and I can also work on my own initiative. I am self-motivated and enthusiastic. I enjoy working with others in a team as I learnt it through school and college.

Please find my enclosed CV and if you have any questions do not hesitate to contact me.
