Curriculum Vitae (CV)

What job i'm looking for? My positive points

I want to obtain entry-level in electrical engineering position at a respected organisation and utilize the educational qualifications i have obtained. I am looking for a job related to my studies of electrical engineering like learnership, apprenticeship or electrical assistant and also a driver job since i got my code 14 driver's licence. I have basic skills for electricity like D.B wiring and connection of AC motors, and i do not have any work experience for my code 14 but i can drive.
