## What job i'm looking for? My positive points

I am an unemployed graduate looking for any job that the company may offer. I am a very energetic, hardworking, dedicated and passionate individual. I am approachable and friendly and can keep up with different personalities. Great communication and public management are one of my skill since they were part of my modules as well as computer skills( word, excel and PowerPoint). I have a little experience as an administrator because I am currently volunteering at my previous high school as an administrator but I am specifically dealing with finance matters.
