Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am a technical thinker.

I have previous experience with petrol/Diesel mechanics, panel beating and spray painting.

I love working with my hands, and I am not afraid to get my hands dirty.

Unfortunately I am not yet qualified, but I am striving to get my qualifications, as that will help me to open my own auto-repair shop one day.

I completed Matric in December 2017, at Harrismith High School.

I am a White/Caucasian male.
