

Renier Coetzee

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Good day , Renier Coetzee is a qualified boilermaker, he is very proud of his work, he is a hard worker, he recently was employed at Genet mining. His got his own transport and can start immediatly. I beleive in him and see him as an investment at any company that hires him. He is honest, always going the extra mile and willing to learn anything.

thank you for the time taking in reading the application, hope you will consider him when making decisions.

kind regards

mari
