What job i'm looking for? My positive points

I am an unemployed youth who has been trying to apply for several jobs/vacancies with no luck of finding anything, so as i was busy on the intranet i found myself browsing at this page and thought that i should try my luck and upload my C.V, i do not have much of experience but i have a grade C Psira and i wont even mind if i can be offered any general worker, meaning i can even take a cleaning job as long as i can earn something and that is where i am good at. Thank you hope to hear from you soon.

Regards
