What job i'm looking for? My positive points

I am looking for Fitting and turning jobs , for a Semi skilled person, I have 3 years experience on the field , i just could not afford to pay for my second attempt to do a trade test. I am very passionate and would really appreciate a chance. I'm currently busy doing a degree but I need a job so I can take care of my family. I promise to work all hours the job requires even stand. I have been to several companies in Cape Town working as a trainee fitter and turner and I believe I gained a lot of experience. I am very hard working and determined and I also need money so I can be able to finish my trade test.

Thank you.
