What job i'm looking for? My positive points

Jobs in retail department. I'd go for cashier shop assistant or even an assistant manager or the manager it self.

I have been working in retail from the first time i got a job, and that takes about 5years counting from 2015-2020.

I've had a very great experience in personnel management, and the most amazing thing is that,,i am too good when it comes to the customers.
