Curriculum Vitae (CV)

What job i'm looking for? My positive points

Supervisory in Welding and Fabrication

I have been employed by Formatube previously Seascope Stainless Steel Services for the past 13 Years. I've worked at Consani Engineering for 10 years as a Tig welder until the company liquidated in 2005. The knowledge I have gained over the years has put me in good stead to perform the functions required for the post. I have good communication skills and self-motivated. I'm currently a Welder but have also performed the duties of Production Manager for 3 years at Formatube and Group and Team leader for previous companies on my CV.
