What job i'm looking for? My positive points

I'm a very hard worker and a person that a company can depend on. Always on time for work, have Driving experience as I'm working as a driver for a company but due to the covid-19 the company is not doing well so I'm looking for a driver job as I have experience and have a code 8 license with PDP and a F1/A Forklift truck license as I need to look after my family.
