

Nicholas Cloete

Curriculum Vitae (CV)

What job i'm looking for? My positive points

My name is Nicholas Cloete, otherwise known as Nick. I am a hard-working, positive, team player, who strives to achieve high standards, not only with my work but with the way in which I conduct myself on a day to day basis. I am loyal to the companies that I work for and strive to ensure that I leave a lasting impression on those I come into contact with. I am a dynamic and fast learner, who adjusts to any given working environment. I am constantly seeking to improve upon current standards as well as my own. Being born in Africa and having worked in many multicultural environments, I understand the challenges facing management and find enjoyment in formulating strategies to overcome these challenges, whilst simultaneously creating structure and systems to align to organisational goals. If you are looking for someone who will grow your brand and seek to innovate it, then I am the candidate you are looking for.

I would appreciate it, if you could take the time to read through my CV and consider my employment at your organisation.
