

Tshegofatso Tau Mamadise

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Any job that is challenging, something that will keep me busy all day, the reason why i mentioned that is because of my previous job, i started working for the company in 2011 as an assistant then years later they booked me for an assessment which i successfully passed and became a semi skilled pipe fitter, so any job that is challenging i look forward to it.
