Curriculum Vitae (CV)

## What job i'm looking for? My positive points

Dear Hiring Manager

I am writing to impress my interest in any junior Health, Safety or internship post. I've recently completed my Diploma in Health and Safety and SAMTRAC. I hope to work for an organisation like yours to grow my experience in identifying unsafe process, investigating incidents and promote a positive Health Quality and Safety culture while complying with COVID19 regulations.

My previous employer Sanlam has helped me to develop my abilities in key areas such as maintaining hygiene and safety in the work place although I was a Client Care Consultant .It also provided me with further experience in interpersonal, communication skills and excellent customer service experience.

I enjoy working with others and believe that my strong communication skills will ensure that I can meet the expectations of this role. I

am confident that I can smoothly fit into your organisation culture. I 'm willing to relocate at any time.

I am keen to develop my professional skills and look forward to discussing my application with you at an interview. I have enclosed a copy of my resume for your consideration. I believe that I have a lot to offer your organisation .

I am aware that you will receive a large number of applications for this job, but I would very much appreciate the opportunity to demonstrate my capabilities to you in person.

Thank you for your consideration

Sincerely

Zintle Iviwe Myokwana 0729727723

Preferred occupation

Administrative jobs
