What job i'm looking for? My positive points

Dear Employers.

As it is tough times like this one wouldn't know that our luck will be with us but however I'd appreciate it if I could be one of those who are called for an interview for the driver position as I have a Code 10(C1) license with PDP. Personally i've been driving for more then 3 years going in and out and around Bloemfontein but not with a company nor working for the government, however I plead and ask that if ever I receive this driving position, I'd do my outmost best to adhere to being effective,productive,loyal, respectful and also following procedures. Looking forward from hearing back from you. I have mechanical motor knowledge, excel(certificates) word computer literacy. I don't have anyone that helps me nor parents because they died a long time ago. So I really need your help employers.
