Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am applying for a post as an Accounts Personnel or any Finance job as may be available. I have completed my bachelor's degree in South Africa. I was majoring in Accounting and Economics and with a strong background in Mathematics. My major experience has been to work with clients since my completion of my postgraduate studies. After my four - year degree I then continued and completed a Postgraduate Diploma in Internal Auditing. I have worked as a Bursar at Samuel Centenary Academy in Zimbabwe and in the bank as well, and therefore believe I can handle the post efficiently. I have also gathered experience in Information Technology and can use IT skills to a remarkable end.

I am very versatile. Being a former student of Nelson Mandela University in South Africa, where leaders are groomed. I completed my first-degree majoring in Accounting and Economics with my fifth year being Postgraduate in Internal Auditing. I have learned several modules in finance, Economics as well as human behavior. I have also gathered vast knowledge on computing and Information Technology which is going to help making use of the modern technology for the smooth delivery of duties assigned to me. I am particularly good in adapting to change and have no problems in accepting it.
