Work experience

Working period **nuo 2015.04 iki dabar**

Company name Aveng Trident Steel

You were working at: Steel manufacturer

Occupation Quality Control inspector

What you did at this job position? My duties is to check quality of material before processing and during the process to ensure that is the relevant material for that particular order according to the works order instructions, and also to check the defects on material and take the decision whether is acceptable or I have to reject. Because quality is when your customer comes back and not your product.
