What job i'm looking for? My positive points

After i finished my matric 2016 i couldn't further up my studies because of my struggles at home,they cn't afford to take me to school so I have been sitting at home for the past 4 years doing nothing.I now have a 1 year old daughter that I need to take care of and it's really hard because of the situation I am in,so it's important for me to get a job so that I can further my education and take care of my daughter.
