What job i'm looking for? My positive points

Hi I am looking for a boilermakers position. I am Qualified with a red seal certificate. I have code 10 drivers licence and I have two certificates for being a first aider and a 5000kg over head crane operator. I fabricate structural and plate work and sometimes do maintenance. I am a hard and fast worker and I always meet my daily targets. I am a friendly and safe worker. I respect my job and my fellow workmates. I can interpret and fabricate structural, plate and pipe drawings. (beams, columns, girders, angle iron trusses, Pipe trusses, Pipe columns sag angles, brackets, crane beams, rafters etc...) the trusses I do are not always straight I do some with cranks and some that are cambered. Whatever I am told to do I do it. I love what I do and I am good at what I do and I love to share my knowledge and also gain knowledge.
