Curriculum Vitae (CV)

What job i'm looking for? My positive points

Hi , I worked at Toyota SA as a quality controller . My job was to check for scratchers ,dents , body panel straightness on the Hilux production line.

I have very strong analytical skills.

I will try to solve the problem's source not the problem.

I will never hesitated to accept my failures.

Through that i will never fails to learn .

I am very good listener, if someone is speaking with me about something.
